WESTSIDE COMMUNITY PARK

A VISION FOR PUBLIC SPACE

2016 Portland State University study

WHAT WE'VE HEARD

We Want To Hear From You

Hood River Parks + Rec is considering buying 20 acres of land on the west side of Hood River, located on Fairview Road and adjacent to Westside Elementary.

To see if the land is a good fit for a park, we need to determine what park features the community wants, how much it might cost to build and maintain the park, and whether there are issues that we might need to consider along the way.

We want to hear from you about what visions you might have for this space. The planning team will develop some alternatives for park layout and amenities that will help us refine future plans for the park.

Please take a moment to take a quick survey about the site below.
